

Dear ISoP Supporter,

The International Society of Pharmacometrics (ISoP) is pleased to share its Sponsorship Packages for 2022. We once again invite you to consider societal sponsorship opportunities, which offer many benefits throughout the year, as well as ISoP's annual conference sponsorships targeted to ACoP attendees. Sponsorship offers a meaningful way to show your organization's ongoing commitment to the growth of our Society and support for our community via the services we provide.

For the first time in two years, we are delighted to welcome attendees to an in-person meeting! The Thirteenth American Conference on Pharmacometrics (ACoP13) will be held October 30 to November 2 at the Gaylord Rockies Resort & Conference Center in Aurora, Colorado. The ACoP13 conference theme, "Together Moving Mountains," celebrates the accomplishments and innovations our field has made in tackling important initiatives during the pandemic and recognizes that as a group, from a few to many, we can have our greatest impact when we cooperate, collaborate, and work together.

Last year our virtual conference attracted over 1100 participants from more than 19 countries. Your sponsorship not only helps to support ACoP13 but is vital to ISoP's commitment to grow our next generation of pharmacometricians. Your contribution is key to our ability to offer trainees substantive discounts (greater than 75%) on ISoP membership and ACoP registration fees. Trainees make up 25% of the ISoP membership, and 20% of ACoP attendance. In addition, the last two years have taught us the importance of offering web-based programming and networking opportunities for our members around the world, regardless of time-zone or ability to pay. Increasing our international member services remains central to our mission and is made possible through your generous financial support.

As a sponsor of ISoP and ACoP13, you will be demonstrating your commitment to continue these initiatives and all that ISoP does for its members and the pharmacometrics community. Your company's sponsorship will be prominently recognized at ACoP13, on ISoP and ACoP websites, and during the opening ceremony. Additional opportunities to show your support are available and dependent on sponsorship level or a la carte options. If you would like to be a sponsor, please complete the attached application form and send it to Barbara Mock at bmock@bjmevents.com. Sponsorship amounts are flexible and there are many options from which to choose.

If you have any questions, please feel free to contact me at cynthia.musante@go-isop.org.

Thank you in advance for your consideration and contribution.

Sincerely,

Cynthia J. Musante, Ph.D.
ISoP President
